WORKING STRUCTURE · LOUNGE RELAUNCH — PREPARED FOR TIMBR, FORT LAUDERDALE

# LORENZO × TIMBR

Direction, production and marketing of the night — a structure where we walk in sharing the risk, and complete our fee only when the results show up at the bar.

OCTOBER 2026 · PROPOSAL Nº LA-2026-015 · 6-MONTH PROGRAM

YOUR GUARANTEE

**$385** / night

+ $155 on results = $540 all-inclusive

THE APPROACH

# RISK, TAKEN SERIOUSLY

Thank you for the meeting and for your time. Based on what was raised about risk — a fair question, which we took seriously and worked on — we came back with an adjusted structure: risk exists in every business and we won't promise what nobody can promise, but we can make it as small as possible for you. The logic is simple: **we walk in sharing part of the risk, and we complete our fee only when the results show up at the bar.**

01 · ALL-INCLUSIVE

### $540 per night covers absolutely everything

Direction of the night, brand identity, creative, marketing, ads, flyers, videos, photos and content; full social media management — feed, stories and highlights — and event setup on ticketing platforms. Plus production: sound, red carpets, stanchions, lighting and entrance setup, provided by the agency at no extra cost — putting in everything we can to make this happen and work together.

02 · YOUR GUARANTEE

### You only guarantee $385 per night to start

≈ $5,000 per month, in two payments: $2,500 on the 1st and $2,500 on the 15th. That is the whole of your fixed commitment.

03 · ON RESULTS

### The remaining $155 arrives with results

Paid only when the night grosses $6,000 or more. It's not an extra or a bonus: it's the rest of the price of our work, which we choose to collect when the result is in the register. If the night doesn't get there, you only pay the base.

THE STRUCTURE

# IN NUMBERS

04 · BAR SHARE

## Activated from $6,000, on the night's total

| NIGHT GROSS | BAR SHARE |
|---|---|
| $6,000 – $9,000 | 10% |
| $9,000 – $11,000 | 15% |
| Over $11,000 | 20% |

If the night doesn't reach $6,000, there is no bar share and the remaining $155 is not paid either. Settled every two weeks, against the register — together with each base payment (1st and 15th).

05 · GROWTH

## We "guarantee" +7% growth every month

In quotes because we were honest above: nobody can guarantee the future. But +7% is the lowest step of our projection — a well-executed relaunch performs far above it — and months balance each other out. Our working target remains **23% monthly**. Estimated risk: under 10%.

06 · COMMITMENT

## A 6-month commitment

Upon renewal, the rate becomes a flat $540 per night, no threshold: the proving stage is only this first one.

07 · ADDITIONAL NIGHTS

## Same scheme, every new night

Any new night added by the agency — weekday formats, special dates, events — runs under the same per-night scheme.

THE PRINCIPLE

The first $6,000 of every night stay with the venue; past that, we go to results.

PROJECTION

# WHAT A NIGHT LOOKS LIKE

| NIGHT SALES | OPERATING COST* | AGENCY (DETAIL) | VENUE EST. PROFIT |
|---|---|---|---|
| **$5,000** | **~$2,700** | base only | **≈ $1,915** |
| **$7,000** | **~$2,700** | $540 + 10% of total | **≈ $3,060** |
| **$10,000** | **~$2,700** | $540 + 15% of total | **≈ $5,260** |
| **$12,000** | **~$2,700** | $540 + 20% of total | **≈ $6,360** |
| **$18,000** | **~$2,700** | $540 + 20% of total | **≈ $11,160** |

*Approx. $2,700 — assumed operating cost per night (staff and DJ), to be adjusted with real numbers. The venue keeps the first $6,000 of every night in full; the agency's results-based share only begins past that line.

This is the best we can offer, and we offer it with conviction: this project motivates us, we believe in the venue and in what can be built together.

NEXT STEP

**One signature, one calendar — and we start building the relaunch.**
